

David Reynolds
Candidacy Statement

Why would you like to serve on the Board of Directors?

My name is David Reynold, and I have lived in the Lakeside at Heath Community for a little over 2 years. I am retired from USPS and a member of Clife Community Church in Rockwall

My Vision is to strengthen positive communication between residents and the HOA, focusing on regular meetings in which attendance is increased so quorums can be reached. This will give residents ownership into the decision-making process. My belief is open communication builds stronger relationships which creates a thriving cohesive community.

Please list previous board position and/ or experience:

Although I have no previous HOA board experience, my work experience and skills include mediation, scheduling, budgeting and deposits, people management to name a few.

Issues you feel need to be addressed by the Board of Directors in your community:

The following are my personal views of items needing to be addressed; however, I want an opportunity to hear ideas from residents if I am elected to serve.

1. Communication
2. Ellinger pond clean up
3. Street lighting by mailboxes
4. Rentals
5. Pool monitors

Any prior commitments that may prevent you from actively serving on the Board of Directors?

None.
