Dear Residents of Lakeside at Heath,

Recently, our trash service provider has re-evaluated its service in the community, and with the approval from the Board of Directors of Kaufman County MUDs 5, 6 and 7, they have set up a new schedule for trash, recycling, and bulk items collection.

The community will be divided into 4 sections, and each will be serviced 1 day/week on either Monday, Tuesday, Thursday, or Friday. Please take the time to review and familiarize yourself with the attached new schedule, which began on July 10th, 2023. Also attached please find an informative flyer from Republic Services for Recycling and Cart Placement guidelines.

Should you have any questions, please contact us through your Association's website, <https://www.lakesideatheathhoa.com/homepage.aspx> under the "Contact Us" tab and select "General Question" in the drop-down menu.

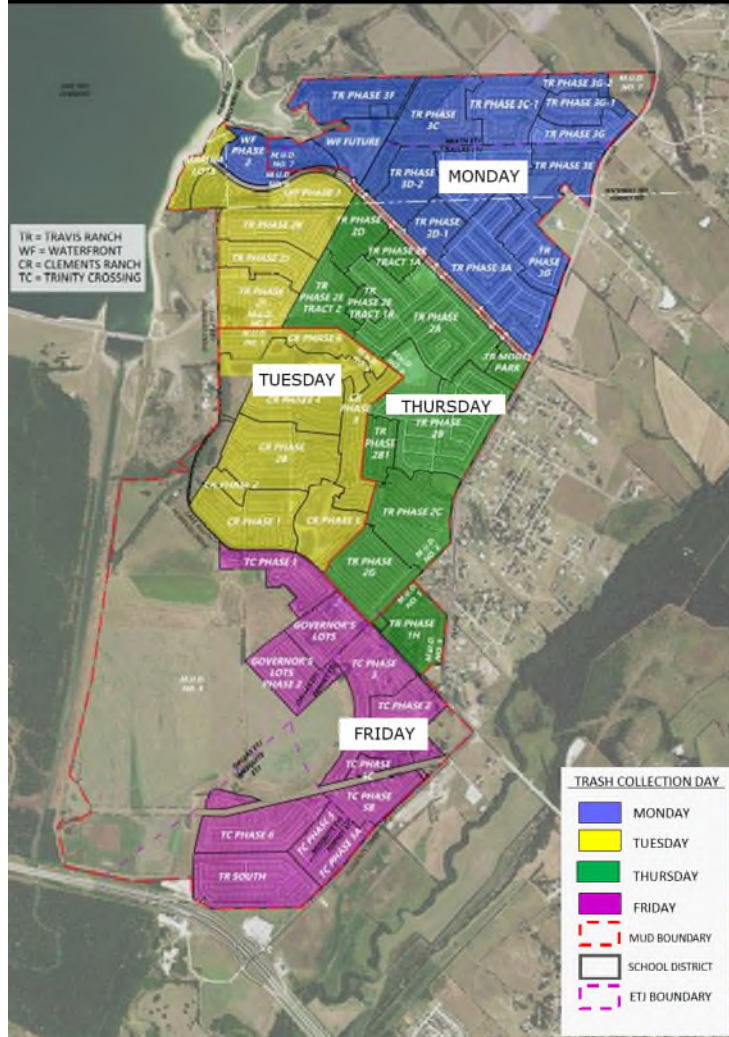

Thank you for helping us keep our community clean!
